

Located south of 80th Avenue in Westminster?

TAKE THE GUESSWORK OUT OF LED LIGHTING UPGRADES FOR YOUR SMALL BUSINESS!

The City of Westminster and Xcel Energy are targeting your area! If you're located south of 80th Avenue in Westminster, we want you to participate! Xcel Energy provides small businesses with **FREE** (no obligation) lighting assessments that identify lighting improvement opportunities with big savings potential.

Benefits of LED lighting:

- Uses less electricity, which lowers utility bills
- Gives off less heat
- ENERGY STAR® LED bulbs use 70-90 percent less energy than traditional bulbs and last at least 15 times longer*
- Instantly turns on and off
- Provides a range of lighting solutions in terms of color temperatures, sizes, and applications

Bonus! You may also qualify for free energy-saving products during the assessment, including screw-in LED lamps.

As easy as 1-2-3!

- 1** Schedule your lighting assessment:
 1-877-287-2250
 [XcelEnergy.com/programs](https://www.xcelenergy.com/programs)
- 2** A lighting advisor will come to your business to identify cost-saving improvement opportunities detailed in a follow-up report.
- 3** Your lighting advisor will assist you through the lighting upgrade process. This often includes connecting you with a contractor and helping you take advantage of available rebates.
