

Small Business Capital Projects Grant Program 2017

In 2017 the Small Business Capital Project Grant Program leveraged over \$465,000 in business investment. The program assisted 12 existing Westminster businesses, providing grants ranging from \$235 – \$5,000. Funded projects included:

MOUNTAIN WEST PRODUCTION COMPANY

- New truck and production equipment

WESTCO SYSTEMS

- New roof

KOKOPELLI BEER COMPANY

- Restaurant space and new patio expansion

THE ROCK GYMNASTICS TRAINING CENTER

- Purchase of gymnastic high bars and balance beams

WESTMINSTER DENTAL ARTS

- Building heating and AC unit replacement

PARK CENTER LOUNGE

- Remodel of interior space and upgrades to sound/karaoke equipment

PICKERING'S AUTO SERVICE

- Specialized auto repair and diagnosis equipment

BENDERS BAR AND GRILL

- Updated kitchen and bar equipment

METALCRAFT INDUSTRIES

- Specialized automation equipment purchase

COLORADO SOUND

- Sound studio equipment and software upgrades

ZOE'S COFFEE

- Gelato freezer and coffee equipment

US WEST INVESTMENT COMPANY

- Interior office upgrades and flooring replacement

The 2017 program also funded grants to three new businesses, providing reimbursement for start-up equipment and build-out expenses. New businesses receiving capital grants included:

STRONG BODY BOOT CAMP

- Weight training equipment and gym flooring for local boot camp training fitness facility

THE SUITE, SKIN AND BODY

- Laser equipment and furnishing for new aesthetician salon

RADIANCE MONTESSORI SCHOOL

- Build-out expenses and specialized furniture and equipment for new Montessori based daycare facility
