Q&A

Overview

- What is an Enterprise Zone (EZ)?
 - Program designed to promote job creation, business growth, and development opportunities in targeted areas for economic stimulus.
- Why does it matter?
 - State Income Tax Credits! Businesses in the EZ qualify for a multitude of tax credits to offset tax liability.
- [Enterprise Zone Information Page](#)

Overview

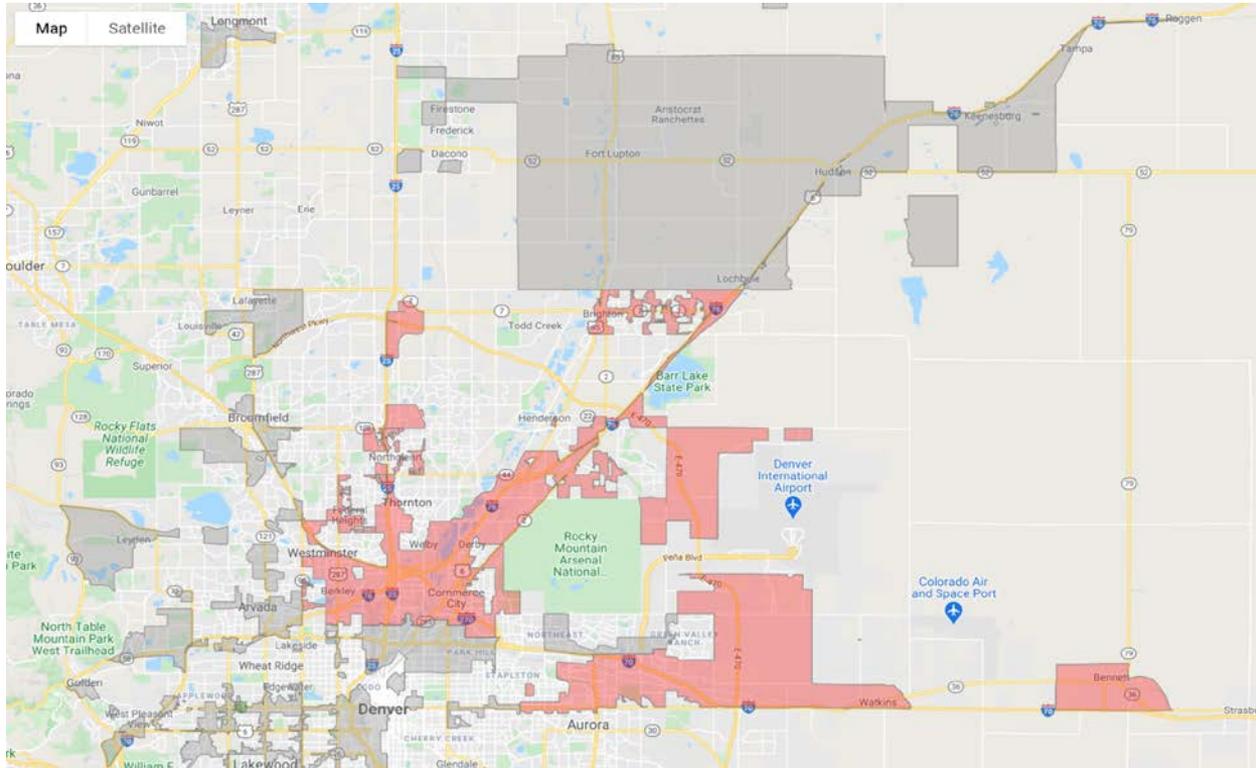

- How to pre-certify- This must be done every year to claim credits and can be done **three months prior to the business's fiscal tax year.**
 1. Check to see if your business's physical address is in an Enterprise Zone using the link in step 2.
 2. Go to the state's [Enterprise Zone Program](#) page and click "Apply for a tax credit"
 3. Click "Enterprise Zone Business Tax Credits"
 - i. Scroll down then click the blue "Apply" button on the right side
 - ii. Then click "Apply Now" at the bottom of the page
 - iii. Fill out the forms to include your fiscal start/end date and the following information.
 - i. Taxpayer ID number, business name, and contact information, and address
 - ii. Make sure to select either Adams or Jefferson county for Enterprise Zone.
 - iii. Click Next, and then submit. Make sure to save your precertification number
- We will receive a notification once you have submitted your precertification to verify the address.

Overview

- Certification
 - You certify your tax credits after you have pre-certified and while you are closing out your fiscal year.
- Steps
 1. Proceed to the [state's page](#) on EZ credits
 2. Click on the "Apply" button across from "Enterprise Zone Certification"
 3. Input your pre-certification number and your Taxpayer ID number
 4. Upload documents to justify your tax credits

| Tax Credit | Description |
|---|--|
| Investment Tax Credit | Businesses investing in personal property can earn a 3% tax credit. |
| Job Training | Companies that implement a qualified job-training program for their enterprise zone employees can earn an income tax credit of 12%. |
| New Employee Credit | Businesses increasing their workforce may earn a state income tax credit \$1,100 per net new employee. |
| Agricultural Processor | An additional tax credit of \$500 per net new employee may be claimed by businesses adding value to agricultural commodities through manufacturing or processing. |
| Enhanced Rural EZ | An additional tax credit of \$2,000 per net new employee may be claimed for businesses in Enhanced Rural EZs – these are re-established every 2 years. EREZ designated counties are highlighted on the map below. |
| Enhanced Rural Agricultural Processor: | An additional tax credit of \$500 per net new employee may be claimed if the business is an agricultural manufacturing or processing business in an Enhanced Rural EZ. |
| Employer Sponsored Health Insurance | Offers businesses \$1,000 per net new employee insured under a qualified health plan for which the employer pays at least 50% of the cost. This credit is available for the first two years the business is located in an enterprise zone. |
| Research and Development Tax Credit | Businesses conducting research and development may earn a 3% tax credit on the increase in such expenditures as compared to that of the prior 2 years. |
