

# Westminster

named as one of *Money Magazine's*

## Top 10 Places to Live in the West

### Westminster Ranked by Money Magazine as "One of the Top Ten Places to Live in the West"

Money magazine evaluated approximately 350 pieces of data on each Western Place and grouped that information into nine primary ranking categories such as amenities, cost of living, diversity, economic opportunity and more.

### We'll Be Visiting Businesses in the Next Couple Weeks

Our Economic Development team will be out visiting Westminster businesses, sharing several important business resources, and just seeing how everything is going. Look for us in the next couple of weeks!

### FREE Webinars & Trainings

#### [City Training](#)

#### Enterprise Zones Webinar (TODAY, 12:00 - 1:00 p.m.)

The Colorado Enterprise Zone Program encourages job creation and capital investment in economically distressed areas by providing tax credits to businesses and projects to promote and encourage economic development activities. This webinar will host representatives from Adams County and Jefferson County as they share how this program works and how it could benefit and impact your business.
