SAGE Sustainable Business Program

SolarSwitch Co-Op:

Solar Switch is a group buying program for solar PV, associated battery storage systems, and potentially even EV charging upgrades for homeowners and small business owners. If you are interested in solar for your building, view details and sign-up [here](#).

50,000 Square Foot Building Owners:

Owners or large commercial, multi-family, and public buildings over 50,000 square feet or more are required to annually benchmark their whole-building energy use to the Colorado Energy Office's (CEO) Building Performance Colorado Program. Learn more and report [here](#).

Zero Fare for Better Air

Throughout the months of July and August, all RTD transit services (including buses, trains, and Access-A-Ride) are free. Encourage your employees to commute or do a personal travel via RTD to save money, reduce congestion and stress, and help improve our air quality during peak ozone season. Learn more about the initiative and RTD services [here](#).
