---

## Backflow Prevention

What is backflow? It's a term in plumbing for an unwanted flow of water in the reverse direction. Did you know it's required for all businesses? To determine what is right for your type of business, or to learn more about how this impacts your business, please visit our [\*\*Cross-Connection Control and Backflow Information\*\*](#) site.

## In Memory Of

Chris Gray, the City's Senior Economic Development Officer, recently passed after a long battle with cancer. He worked in Economic Development throughout the state for over 30 years, and with the City of Westminster for ten. His work contributed to the creation of thousands of jobs and he was responsible for multiple businesses locating in Westminster. He was well known and respected throughout the state and has left a legacy that contributed to our strong economy. He will be missed by many.
