

## 2024 Business Survey

We would like to hear from you!

The Economic Development Division is conducting a survey of Westminster businesses. The purpose is to determine "from the perspective of business owners and senior management" how the City can best serve our businesses and continue to foster a business-friendly climate.

A survey will be mailed to every business in Westminster that has an active business license with the City in the next few weeks. The survey is being conducted by Colorado-based market research firm, Corona Insights, and all responses will remain anonymous. If you have questions about the survey, please contact Shelby Wood, Senior Business Resource Management Analyst at [swood@westminsterco.gov](mailto:swood@westminsterco.gov) or 303.658.2168.

## SAGE Sustainable Business Program

### BE UP Can Help Your 50,000+ Square Foot Building Comply with the State Building Performance Standards

The City of Westminster is excited to launch the Building Energy Upgrade Program (BE UP). BE UP is a free support service aimed at helping Westminster's commercial and multifamily building sized 50,000 square feet and larger save money through energy efficiency and navigate and comply with Colorado's new Building Performance

Standards (BPS).
