

National Small Business Week

May 3 – May 9, 2026

In Westminster we like to celebrate and support our small businesses year-round! The City strives to create an environment where local businesses have a strong relationship with, and are a true partner to the City. Whether you're an existing business or thinking of starting a new one, check out all of the ways the City can support you.

Grants and Scholarships

From capital improvement grants to business training scholarships, to sustainability programs and rebates, the City provides tools and funding to help you and your business succeed. [Learn More](#)

Business Trainings

Our City 101 trainings help you navigate city topics, and we partner with the Small Business Development Center (SBDC) to provide trainings tailored for your business needs. [Learn More](#)

Workforce Programs

Hiring, training, and retaining employees is especially difficult these days. We work with our local and regional partners to offer grants and resources that can make it a little easier. [Learn More](#)

Business Outreach

We try to get out and visit all of our businesses, and we provide regular updates and information via our website, e-newsletter, and social media. Stay on top of things and stay in touch! [Learn More](#)

Other Business Resources

Looking for a fun team building activity? Or planning your next employee get-together? Check out our Activity Guide for some unique ways to gather your team and have some fun! [Learn More](#)
